

6	All levels are welcome	Wheel Throwing 6 week intensive to refresh skills or learn the basics. Individual coaching & demonstrations. Students must possess hand, wrist and neck strength. Plenty of pots will be made...some humorous and some rather nice! One more class has been added for more time to practice skills.	Basic wheel skills , glazing You will receive a short list of what to bring to each class.	Thurs evenings 6 weeks 3/3,10,17,24,31, 4/7	6 pm to 8:30 pm	min 4 max 5	\$460.
7	Beginner	Lemonade Pitcher Cylinder shape pitchers with wet carved motifs will highlight. If preferred, go handle less and use as a summer garden flower vase.	Slab building, handle attachment and chip carving and glazing	Wed. 4/27, 5/4	6 pm to 8:30 pm	Min 5 Max 8	\$55.
8	Intermediate	Tea Bag Storage Box These handy boxes can store anything. Emphasis on vertical construction technique. Lids with fancy knobs and feet will be added for a finished, stylish look.	Slab building Be sure to have experience with slabbing prior to this workshop as vertical side wall construction is a challenge.	Wed. 5/11, 5/18	6 pm to 8:30 pm	Min 4 max 6	\$55.
9	Beginner	Berry Rinsing Bowl Berry bowls can also be used to rinse pasta and vegetables. Straight sided with a handle makes them super functional. 3-piece construction will give beginners a sense of accomplishment.	Slab building, handle attachment, drilling holes in soft clay and glazing	Wed. 5/25, 6/1	6 pm to 8:30 pm	Min 5 Max 8	\$55.
10	Advanced	Butterfly Garden Bowl Attract and observe the beauty of butterflies in your garden. Bowls will be low and wide with sculpted elements to attract them. You provide the pedestal for your finished bowl. (Stone wall, tree stump, rock outcropping, old bird bath pedestal, clay chimney liner, etc...) Start looking now for just the right height and width.	This is an <i>advanced</i> class! Be ready for the challenges. Slab building, chip carving, sculpting, attaching small sculpted pieces and glazing	Tues. 6/7 Wed. 6/8, 6/15	6 pm to 8:30 pm	Min 3 Max 5	\$70.
